

*Great is Thy faithfulness, O Lord,
There is no shadow of turning
Thou hast said, Thou shalt not, Thy way is everlasting
As Thou hast been, Thou shalt be*

SPECIAL THANKS TO OUR VOLUNTEERS, SPONSORS, AND FRIENDS OF WOW

About the Writer...

Tangie Brickhouse-Beaty is the accomplished owner and founder of **WOW Productions**, a leading urban production company in SC. With over 23 years of experience, she has produced 30 theatre productions, co-written 4 film projects, and secured national distribution deals for her TV series and movie. Additionally, she has coordinated national touring stage plays and provided casting services for various film, TV, and commercial projects. Notably, Tangie holds the distinction of being the first African American Woman to open an Urban Black Box Theatre in South Carolina. Married to Thomas Beaty, she is a proud mother of two sons and a grandmother to one grandson.

ABOUT US

Our care is delivered by a team of passionate professionals which empowers our patients to live each day to the fullest, while sharing time in a supportive circle of family and friends. HaDora Hospice is committed to providing comprehensive palliative care, which is focused on comfort measures and successful management of pain and discomforting symptoms.

SERVICES OFFERED

* **Nursing Services**

Our nurse and trained home care staff will visit you at home as necessary, to provide assistance with services such as light meal preparation, personal care, shopping, social work services or even modifications to your home to enable you to function better.

* **Spiritual Counseling**

Our Chaplain will assist with spiritual needs for patients and caregivers while working with local church. Grief support is offered

* **Supplies**

Blue Pads, Diapers, Gloves, Oxygen, Nutritional Supplements, Personal Hygiene items

* **Medical Equipment**

Medical equipment as prescribed by physician

* **Continuous Homecare**

Should the need arise where continuous homecare is needed we work with your physician, we provide you with high quality, comprehensive services tailored specifically to your needs. We monitor your medical and social needs, and, as your condition may change, we are there to make any changes needed in your plan of care – at any time, day or night.

* **Social Services**

We provide assistance with financial and social communication needs

* **Respite Care**

We offer Respite care, which is also beneficial to loved ones who could use a change of pace or scenery from their daily routine.

* **Transportation**

We arrange transportation to and from doctor's appointments FREE of charge to eligible patients and their Caregiver
